**Explore a world of limitless possibilities in harmony with your horse.**

JULIEN BEAUGNON EQUESTRIAN clinics follow the principles of Cavalía's foundational influence - Everything must be for the love and respect of the horse.

- Reveal your horse's inner beauty.
- Get your horse's attention to ensure safety & respect.
- Learn how to recognize the efforts made by your horse to avoid frustration & misunderstanding.
- Learn easy & effective techniques to help your horses overcome their fears.
- Rehabilitate horses living with cognitive or physical issues.
- Move your horses using body language & bring them effortlessly to accomplish the most difficult exercises.
- Develop techniques to work with your horse all year-long, even during inclement weather or short time availability.
- Give yourself and your aging horse the gift of new horizons.
- Surpass your approach with horses and explore limitless possibilities.
