Location:

Coverall Arena at the Idaho Horse Park
in Nampa Idaho

Participant Cost:

- \$275 for both sessions
- \$175 for one session

Auditor Cost:

- \$30.00 each

Topics & Times:

Foundation Mulemanship 9:00 am to 12:00 pm

This class will focus on mules that are still green enough in their progression that a lot of groundwork is necessary and will consist of groundwork that is preparatory for riding. All the movements acquired in this class will help you to get your mule handy and willing on the ground and build a sure foundation for a successful future in the saddle. This is also a great class for animals that are still too young to ride but ready to get started on the groundwork.

Mulemanship 1 1:00 pm to 4:00 pm

This class is for the green to intermediate mule and/or rider. There is no groundwork involved in this class unless Ty feels the need to go over it with the students. It is recommended but not required that you have attended a Foundation Mulemanship class as a prerequisite. Each day of class will be spent in the saddle working on the basic maneuvers and exercises involved in making a soft, willing, bridle mule. Softness and suppleness are major goals to obtain for both mule and rider. Most of the work will be done at a walk and trot with an introduction to the canter. After riding in this class you should feel confident in your new skills and should have a list of things to go home and continue working with, on both yourself and your mule.
